

Gourmet Fishburgers

JAP**FISH**

7 REASONS TO CHOOSE THEM

***A delicious gastronomic
experience for
the 5 senses***

***and 7 main reasons
to choose our
burgers***

1. EXQUISITE

Consistent and juicy 125gr burgers that contain more than 80% of quality fish, created in collaboration with Chef José Luis Ungidos, honoree with 1 Michelin star.

2. NATURAL

No preservatives nor artificial colors added. GMO and gluten free. High Omega-3 and protein content. Source of fiber.

3. SAFE

Produced under strict hygiene, temperature and quality controls in our high-tech facilities.

4. CONVENIENT

Packed in 2 unit skin trays for retail sale and in innovative 6 units vacuum bags for foodservice. Ready to eat in just few minutes.

5. ORIGINAL

Source of culinary inspiration, our burgers can be dressed with a wide variety of sauces and accompanied with your favorite side dish.

6. GLOBAL

Everyone, from children to the elderly, will enjoy eating fish in a comfortable and healthy way.

7. PROFITABLE

A continuously growing market offering new business opportunities.

Gourmet Fishburgers

THEY ARE UNIQUE
